SELECTMEN'S REPORT 1994

The Board of Selectmen expresses sincere thanks to all who have served on town committees and boards in the past year. We encourage anyone with an interest in improving the community to serve on a board or committee, or attend any open meeting as time and interest allow. We would also like to thank those individuals who have come to voice their concerns regarding town issues, so that we can more effectively do our job.

The Town of Fitzwilliam is in good shape financially. We have no long term debt and have finished the year well within the appropriation voter's approved at Town Meeting 1994. Our revenue projections were close to the estimated amount. We have joined the NH Public Deposit Investment Pool which has not only allowed us quicker, greater, accessibility to town funds, but has also earned us a favorable interest rate, currently at 4.96%.

It is with regret that we watched the CR Bard Plant close; no new occupant has been found yet. We appreciate greatly CR Bard's kind donation of office equipment to various town departments. The Board of Selectmen appointed an Industrial and Commercial Development Commission to begin work, together with the community, to develop appropriate industrial opportunities for Fitzwilliam. Your input is important, and we would encourage everyone to communicate their vision for Fitzwilliam to the INCOM.

The tax base is now at $153,023,710 with 335 acres put into current use in 1994. Percent of equalization is 127%. The amount to be raised by taxes for 1994 was $2,860,597. The tax rate breaks down as follows:

	1994	1993	1992	1991
Town	4.78	4.73	4.40	4.51
County	1.72	1.66	1.63	1.52
School	13.48	12.21	11.65	11.37
	19.98	18.60	17.68	17.40

SELECTMEN'S REPORT 1994

This year the Board worked to revise the personnel policy. Based on a wage and benefit survey conducted late in 1993, we adopted revised job descriptions and a new wage scale in 1994.

There were some major personnel changes in 1994. In early February 1994 acting Police Chief Bruce Newton was promoted to the position of Police Chief, after several months search. Late in 1994, a new Administrative Assistant was hired to replace outgoing Administrative Assistant, Mary Crooke. Under Ms. Crooke's skilled hand the Town entered the computer age. We appreciate all she has done, and will miss her expertise. We wish her well in her future endeavors.

Repairs were made to the Portico Roof on the front of the Town Hall, as well as minor repairs to the tower. The main roof slate was rejuvenated. The rear door to the Town Hall was replaced and seasonal lighting was restored to the Town Hall in a more permanent, safer way.

During 1995 we plan to concentrate on balancing long term projects with a stronger emphasis on maintenance. The Highway Department will focus on areas such as ditching roads, brush cutting and culvert replacement.

We would like to put money aside in Capital Reserve for repainting the Town Hall and re-valuation of the Town. We hope to do a re-valuation in approximately four years.

This year we are recommending that the Town Hall steeple and the face of the clock be painted. This was not done when we last painted the Town Hall so it is in serious need of attention. We ask you to support us in these projects.

SELECTMEN'S REPORT 1994

Thank you for the opportunity to serve the community. Please let us know about any concerns you may have, and we encourage you to be involved in whatever way you can.

We wish you the best for 1995.

Respectfully submitted,

Susan S. Link, Chairman
Joan Knight

To the Board of Selectmen
Town of Fitzwilliam, New Hampshire

We have audited the general purpose financial statements of the Town of Fitzwilliam, New Hampshire as of and for the year ended December 31, 1994, and have issued our report thereon dated January 12, 1995.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

In planning and performing our audit of the general purpose financial statements of the Town of Fitzwilliam, New Hampshire for the year ended December 31, 1994, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control structure.

The management of the Town of Fitzwilliam, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories:

ACCOUNTING APPLICATIONS

- Budget
- Cash and investments
- Revenue and receivables
- Expenditures for goods and services and accounts payable
- Payroll and related liabilities

For all of the internal control structure categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

This report is intended for the information of management and the Board of Selectmen. However, this report is a matter of public record and its distribution is not limited.

BUDGET COMMITTEE REPORT FOR 1994

This year the Budget Committee's task was made simpler from last year for two reasons:

The first was that the funding request exceeded last year's approved budget by a modest 5% as opposed to an increase last year in excess of 40%. This permitted the Budget Committee to proceed with sharp pencils rather than dull machetes.

The second reason was the effort and ability of most of the department heads to correctly use the line by line forms that the Selectmen had provided last year.

The Budget Committee would like to thank all the department heads for their efforts and fiscal responsibility.

Respectfully submitted,

Winthrop Brown III, Chairman
Reino M. Lilback, Vice Chairman

POLICE DEPARTMENT REPORT 1994

1994 began where 1993 left off. I was still holding the position of Acting Chief and keeping the department going. In February, the Board of Selectmen formally appointed me to the position of Police Chief As Chief, I have begun efforts to re-structure the department and have overcome many new challenges.

My first significant challenge was to outline an operating budget and propose to the Town an additional third full time officer. Then came Town Meeting, an isolated challenge of its own, where I not only sought the approval of the total budget, but a new police patrol vehicle as well. A recommendation was made to the supporters of this article, with special thanks to Mr. John Tommila. The vehicle purchased is a 1994 Jeep Cherokee. Although this vehicle has only been in service a short time, it has proven to be a versatile utility vehicle.

The accident count was down slightly from 1993 and I'm pleased to report that there were no traffic fatalities this year. There were a handful of accidents involving deer and one with a moose. Motorists are reminded to be alert and conscious of the environment they are in. Late in the year there was a serious accident involving two trailer trucks on Rt. 12. One of these vehicles was an oil tanker, which erupted into flames. Though neither driver was injured, the accident necessitated the partial closure of Rt. 12 and several man hours provided to investigate and provide traffic safety during the clean up operation.

The department recorded 864 calls for service and drew 180 criminal cases. Eighty-six percent of this total were cleared by arrest or exception. Thirty percent of the cases were actual crimes against a person and of these, fifty-five percent were cleared. This year the department was responsible for policing Webb Quarry and many violations for trespassing were logged.

POLICE DEPARTMENT REPORT 1994

The police department increased its involvement with the community by offering various public programs such as the child safety seat program, bicycle safety for the children, and crime prevention tips for the senior citizens. We plan to continue to offer these programs and expand and enhance them with updated material.

For 1995 our focus and efforts will continue to be on crime prevention. In partner to this effort, the police hope to expand on the fight against drugs, as 1994 reflected a rise in drug related offenses.

Below I list the statistics of the year. May I extend my thanks and appreciation to those individuals and agencies who help support the police through the year.

REGISTER OF PRIMARY OFFENSES KNOWN FOR 1994

Abuse & Neglect	2	Disorderly Conduct	3
Alcohol Related	50	Drug Related	18
Assaults	6	DWI	12
Bad Checks	5	Forgery	1
Burglary	8	MV Related	14
Criminal Mischief	4	Protective Custody	6
Criminal Trespass	16	Theft	19
Cruelty to Animals	1	Other	14

Of the 180 cases, 129 were cleared, 19 were JV cleared, 24 were not cleared. Some of these remain under investigation. Seven were unfounded or had no criminal aspect.

Respectfully submitted,

Bruce L. Newton
Chief of Police

ROAD AGENT'S REPORT 1994

Normal summer and winter maintenance and roadside mowing were done. Culverts were cleaned and flushed.

Ditching was done on East Lake Road, Tree Farm Road, Robbins Road and Kinsman Road.

A section of Tree Farm Road and Cross Road were repaired because of winter damage. The roads were ditched and cold mix was applied to them.

The Fullam Hill Road project was completed. The culvert on Number Four Road and Royalston Road were done. The only remaining work left to do on Number Four Road is to install guard rails in the Spring. The culvert project on the Royalston Road was completed.

The projects for the coming year will include: repairs to the Richmond Road from the Gove residence to Route 119; resurface the Lower Troy Road, new drainage and resurface the road in front of the Town Hall; do another half mile of the Fullam Hill Road project; and make repairs to the area in front of the Depot Fire Station and Common area.

The Department will not be doing any major road projects this year. We will be concentrating our efforts in maintaining our present roads. We will be doing 5 to 7 miles of sealing roads with sand or chip seal.

I would like to thank all Department Heads, Selectpersons and Townspeople for their assistance and support throughout the year.

Edwin O. Mattson, Road Agent

RECYCLING REPORT FROM THE TRANSFER STATION

A total of 655 tons of waste came through the gates at the Transfer Station during the year. Forty-seven percent (47%) of that amount was recycled and taken out of the mainstream of waste. The other 53% was taken to a landfill or an incinerator.

During the year, 144 tons of recyclable materials were baled. This includes newspaper, mixed paper, cardboard, beverage cans, plastics, brown paper bags, rags, clothing and aluminum foil. Another 167 tons of magazines, glass, scrap metal and tin cans were taken out of the mainstream of waste.

During the year, 600 gallons of used motor oil and 75 gallons of antifreeze came through the transfer station. We also collected 350 gallons of paint, and 74 batteries of all types.

I would like to thank the staff at the Transfer Station and you, the people of the Town, for making our recycling center a success.

FIRE WARD'S REPORT 1994

1994 CALLS

The Fitzwilliam Fire Department responded to 229 calls for the period from December 1, 1993 through November 30, 1994. There were 5 structure fires, 7 chimney/partition fires, 6 motor vehicle fires, 1 brush fire, and 9 Mutual Aid fire calls to other communities. In the "miscellaneous" category, there were 16 calls involving smoke investigations, electrical problems, automatic fire alarms and public assists. There were also 17 motor vehicle accidents and 141 medical emergency calls in the community and 26 Mutual Aid medical emergency calls outside of the community. Unfortunately, due to the very severe winter of 1993-1994, our fire loss was higher than in the recent past. However, we are continuing with our fire prevention and fire education programs at the school and at the fire station and hope that the community benefits from the information distributed.

PERSONNEL AND TRAINING

Department members continue to carry substantial training schedules, both inside and outside of the Department. With few exceptions during the year, Fire Department members have drills on the second Wednesday of each month. Training in 1994 included structural work, breathing apparatus, automobile fires, pumps and forestry. Rescue personnel also had training on a wide variety of topics applicable to all of the services offered to the community.

In addition to monthly drills, members participated in various certification and re-certification programs. There are presently 34 members in the Department. Six are firefighters only, 6 are rescue only and 22 members serve in both capacities. Eighteen of our members are New Hampshire certified firefighters.

Among the rescue personnel, 14 are certified to use

the Automatic Defibrillation machine, 9 are Emergency Responders, 8 are certified in Advance First Aid, 6 are EMT-D and we have 1 EMT-I. One of our EMT-D's is awaiting results of the national exam, having completed the EMT-I course. Twenty-six of our fire/rescue personnel are certified in CPR for the professional rescuer and 4 rescue personnel have taken the Adult Critical Trauma course. One member has taken the Pediatric Trauma course.

EMT-D's must obtain 48 hours of continuing education after being certified, plus complete a 24 hour recertification course and take a written/practical exam every two years. EMT-I's must complete 36 hours of Advanced Life Support continuing education and 12 hours of Advanced Life support continuing education plus complete a 24 hour recertification course and take a national written/practical exam every 2 years.

In addition to other courses and training, 13 members took part in Meadowood's Spring Fire School attending 17 different classes, including Breathing Apparatus, Hazmat Awareness, Hazmat Operations, Incident Command System, and Combined Operations, among others. In the September and October Meadowood Fire Schools, 11 people took 14 different classes including some of the courses that were given in the Spring plus Hazmat Decontamination, Aircraft Emergencies, Dive Team Operations, Flammable Liquids and Advanced Vehicle Rescue.

We point out these training facts and figures to show not only the interest of the Department members in professional education, but the requirements they are placed under to keep updated. While the training portion of our budget has increased substantially, the Town should be pleased that so many people are willing to devote so much time to professional education and the betterment of the community. In addition, when this expense is compared to what it would cost the

Town to have full time personnel available with comparable training, the cost is minimal.

VEHICLES

Our 4 basic front-line vehicles, the 1973 Mack Pumper (10M1), which also serves as our Mutual Aid truck, the 1978 Ford Pumper in the Village (10M2), the 1979 Mack Pumper (10M3) and the 1978 Mack Tanker (10M4) continue to be in good to excellent condition and give the Town excellent service. Although these vehicles are aging, so far, repair costs have been relatively low. Nonetheless, we have tried to provide in our budget for potential repair costs consistent with the vintage of these vehicle.

The small Forestry truck (10M5) continues to be in good condition. During 1994 the Forestry Tanker (10M6) on loan from the New Hampshire Department of Resources and Economic Development was retired. We were able to purchase a Tanker through the state surplus property program. This is presently being fitted with the winch from the old Tanker and the pump from the GMC Reel truck, which was retired in 1993. This project is being worked on by volunteer labor, at no cost to the Town.

1995 BUDGET

As usual, when this report is required to be submitted, final action on proposed departmental budgets has not been concluded by either the Budget Committee nor the Board of Selectmen, thus we do not know what the final recommendations will be for submission to the Town. Generally, we have presented an operating budget comparable to the 1994 budget that was submitted, substantially cut by the Budget Committee and Selectmen, and then restored on the floor of Town Meeting. However, some of the proposed

expenses are higher for 1995. These would be in the area of training, potential acquisition of breathing apparatus and the proposed purchase of an ambulance.

Generally, we have recommended the continuing accounts for gear replacement and Minitors. These two programs are ongoing over the last few years, and enable us to immediately replace worn gear when necessary, and to supply new members with OSHA/NFPA approved gear as soon as they are qualified to respond. The training budget has been increased substantially because more recertifications take place during the coming year than in the last year, and more importantly, because many members are being trained for high levels of caregiving in the medical field. Specifically, we are starting out 1995 with 9 people enrolled in the EMT course. The cost per person in this area is $500.00 for the EMT course and $350.00 for the "bridge" course from Advanced First Aid to EMT.

The Fire wards are also recommending either a purchase or lease plan for 18 new Air Packs. Many of our tanks are old and undersized, and much of our equipment is getting heavy use. This problem is complicated by the fact that getting this equipment repaired is difficult at best, and extremely expensive. This creates a safety problem for members. Although the lease program is expensive, it will supply us with safe, up-to-date units.

Finally, there is the proposed purchase of an ambulance, As noted, in the details concerning personnel and training, we are fortunate to have a substantial and growing number of individuals capable of giving emergency medical care. With the increasing number of calls made by the Fitzwilliam Rescue, and the growing importance of prompt hospital care intervention, we feel that the time is appropriate for Fitzwilliam to acquire its own ambulance. This matter has been carefully reviewed with Department personnel

on several occasions during the fall of 1994. Without the support of the personnel who service the Town, the Firewards would not be recommending this step. We would hope that the Town would support this purchase. As this report is written, it is our understanding that the Budget Committee has voted in favor of this project.

AUXILIARY

As reported last year, the cabinet project for the Depot Station has been completed and all food storage has been moved to the Station. This has enabled the Auxiliary members to prepare and deliver food to members and visiting personnel during major calls. Unfortunately for the Auxiliary and the community, there were several of those incidents during 1994, but fortunately for the membership, a small but willing crew continuously supplied personnel with excellent refreshments.

The Auxiliary has again produced the Community Calendar which in turn enables it to participate in projects to support the fire service. The Auxiliary serves as a working committee of the Fitzwilliam Fire Department, Inc.

We again thank those who advertise in the Fitzwilliam Community Calendar and ask community members to support those advertisers wherever possible. This all works to the ultimate good of the Town and its citizens.

HOUSE NUMBERING COMMITTEE'S REPORT

We had hoped to have the assignment of street numbers for houses, businesses and public buildings for the Enhanced 911 in effect by the end of 1994. The State of NH is targeting 1995 as the statewide effective date. Numbers on buildings are needed to facilitate quick response for emergency services such as Ambulances, Police, and Fire.

We had almost finished our assignment of numbers, when the N.H. Bureau of Emergency Communications, provided a complete package of radio satellite produced maps complete with building locations, numbers, and street names shown. We were convinced that this would give us more accurate results and ones that could more easily be tied in with the 911 system on a long term basis and so switched over to it. Unfortunately, the State was swamped by requests from other towns and also ran into a few bugs on the system and so were not able to complete their work as soon as planned. However, the work they have completed so far on Fitzwilliam would indicate that the end results are well worth waiting for. We expect to have all changes completed within the next month.

We now expect to have the new system in place by late spring. Before final implementation, the Board of Selectmen must hold a Public Hearing to give more details to the public and answer your questions. After the Public Hearing, letters will be sent out to building owners giving the assigned numbers and addresses desired by the Post Office. The Committee would like to thank you for your patience and ask that you please not call at this time to inquire what your house number will be - in order to avoid any errors, the numbers cannot be issued until the final assignment has been reviewed. We know you have to plan ahead when ordering checks, stationery. This information will be made available as soon as possible.

WATER/SEWER STUDY COMMITTEE REPORT

The Water/Sewer Study Committee continues to investigate the feasibility of constructing a system to supply water and sewer services to the Village and Depot areas of Fitzwilliam. The committee met only briefly in the past year and developed a set of objectives for 1995.

Objectives for 1995:

* Complete the analysis of present conditions and volume needs.

* Conduct a survey and/or hold focus group meetings to obtain resident's input on systems.

* Investigate the possibility of hiring a consultant and determine the costs involved.

We look to Town residents for assistance in proceeding with our research. Those of you who may have stated, at a party or at the Post Office that, "we need town water and sewer" please consider joining this committee.

ANNUAL REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission is fortunate to have several people who over the years have given many hours to the work of the Commission. Fred and Rosalind Slavic have been on the Commission since its inception. They wrote the wetlands ordinance. Fred serves as Vice Chairman. Rosalind writes a monthly article for the newsletter. Bruce McLaughlin and Russ Goodwin are in their second term and this past year worked in the Town Forest clearing brush to encourage the growth of an old apple orchard.

Paul Kotila, who teaches biology at Franklin Pierce, has written the section in our natural resource inventory describing the water resources in the town which include ground water, acquifers, surface water, etc. Robin Haynes, who has been the secretary for the Commission, is now an alternate member, as is Cricket Starrett, and they both work closely with the Commission.

This year, we have walked the Town Forest with the Boy Scout Master, John Bison, and hope to have the help of the scouts in creating some new trails to connect with the Metacomet Trail, part of which runs through the Forest. We spent a delightful day walking the Slavik easement near Little Monadnock.

It has proved difficult to finalize the natural resource inventory but we plan to accomplish that in 1995. We have had help from Tom Spiro, an Antioch intern, in writing some sections of the plan and in collecting maps.

The Commission meets the third Monday of the month at 7:30 p.m. at the Town Hall and all are welcome to attend.

The Commission continues to work with the State of New Hampshire to make the use of these unique highlands a pleasant recreational experience.

The public is encouraged to contact their Commission members with suggestions and comments.

PLANNING BOARD

The active case load of the Planning Board in 1994 remained relatively low, a continuing indication of the overall economic conditions in this area.

The Planning Board's main focus of attention this year has been the completion of the Town Master Plan. The Planning Board has worked with a planning consultant throughout the year drafting the document. A final draft has been submitted to the Planning Board. We hope to have this document printed and ready for distribution by this summer. This document is a valuable source of information regarding policies and goals of community growth and future development of the town.

The Planning Board recently held a joint meeting with the Industrial and Commercial Development Commission to discuss the coordination of projects between both boards.

Meetings of the Planning Board are held on the first and third Tuesday of each month at 7:00 p.m. in the Town Hall. All meetings are open to the public and we encourage your attendance and participation.

HISTORIC DISTRICT COMMISSION

The Historic District Commission reviews applications for building permits for properties located within the Historic District. All applicants seeking to obtain a building permit within the Historic District must adhere to the guidelines set forth in the Historic District Regulations.

In 1994, the Commission heard six cases; one was for a request to construct a garage, one was to construct a deck, three were requests for renovations, and one was a request for an addition. All requests were approved, some with stipulations.

The Historic District Commission meets the first Thursday of each month at 4:00 p.m. at the Town Hall whenever there are one or more completed applications to be considered. All meetings are open to the public and we encourage your attendance and participation.

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hears appeals and administers special provisions in the Town Ordinances dealing with Variances, Special Exceptions and Administrative Decisions in order to provide for the satisfactory resolution of many of these situations without burdening the courts.

In 1994, the Board heard fourteen cases; nine were requests for Special Exceptions, all were approved, five were requests for Variances, all of which were approved. One Special Exception approval was withdrawn by the applicant following final Board approval.

The Board meets at the Town Hall on the third Monday of the month at 7:30 p.m. whenever there are one or more completed applications to be considered. Hearing notices must be posted in town and advertised in the newspaper. Individual notices are mailed to abuttors. The meetings are open to the public and we encourage your participation.

ANNUAL REPORT OF THE INDUSTRIAL & COMMERCIAL DEVELOPMENT COMMISSION

As one of the Town's youngest bodies -- having been formed in June, 1994 we are busy with several projects and hope to fulfill our mission. The Commission meets at the Town Hall at 7 PM on the 2nd Monday of every month. In keeping with the Town's wishes, we seek planned and controlled growth without upsetting the Town's unique and charming character.

One of the first things we did was to survey residents to get their opinions. We distributed over 1200 questionnaires and got back 121. Here are the results, in brief:

1. Residents are not happy with the present mix of homes and businesses
2. They think that relieving property owners by broadening the tax base should be our main objective
3. Most residents would prefer industry to retail establishments, recreation and tourism.
4. Leading preferences for retail businesses, however, are: pharmacy, bank, mini-mall
5. A majority does not want to replicate Rindge's 202 development along Fitzwilliam Route 12

THE FITZWILLIAM BUSINESS DIRECTORY
Shows the wide range of businesses and services available in Town.

In addition, we are in dialogue with appropriate State and local bodies, from the Keene Industrial Development Corp to N.H. Department of Resources and Economic Development (DRED).

<u>Existing Local Businesses:</u> We recognize our responsibility to help existing businesses to prosper, for they represent our best growth prospects. A

visitation program to several businesses is under way to make these businesses aware of the many resources available to them. These visits will also attempt to improve communications with Town boards and offices.

Publicity: Our activities have been well reported in the press, from the Fitzwilliam Newsletter to the Keene Sentinel, Manchester Union Leader, etc.

Budget: We are requesting funds from the town to cover operating expenses for 1995. The Selectmen's office has supplied secretarial services this past year. We have also had generous donations of secretarial talent, postage, photocopying and minor printing from local businesses. We are also looking for other sources of funding including grants, gifts, etc.

Summary: The Town was shocked at the closing of C.R. Bard and the loss of hundreds of jobs. The Selectmen moved quickly to organize this Commission, and we have attempted to do what we can. The INCOM members have worked hard, our meetings are well attended, and we are busy in between. We welcome suggestions as to how we can do better.

TOWN HALL AGENT'S REPORT 1994

The Town Hall was the site of much activity this year with over 18 rentals. There were dances, plays, committee meetings, and concerts. The renters of the building included:

Fitzwilliam Water District
Emerson School
District Nurse Association
Elliot Institute
Fitzwilliam Historical Society
Fitzwilliam Recreation Committee
Meadowood County Area Fire

The renovations to the Town Hall were completed this year including making the restrooms handicap accessible. Along with these renovations the kitchen area was made smaller, creating space for an additional meeting room.

The rear door to Town Hall needed to be replaced. New electric outlets were installed for Christmas lighting. Repairs were made to the Portico Roof on the front of the Town Hall, as well as minor repairs to the tower. The slate on the main roof was rejuvenated due to its deteriorating condition.

Respectfully submitted,

FITZWILLIAM RECREATION COMMISSION

In reviewing the past year, we would qualify it as successful. Old programs were enjoyed and we managed to attempt a few new ones. The Selectmen accepted the resignation of David Duffy from the Commission, with regrets, and appointed Sheila Hamilton to fill the open position.

Sportsfield, Well, Pole Barn, and Tennis Courts - The Sportsfield grass continues to suffer from the lack of water. The field is well used by a number of programs, but the lack of grass growth continues to be a problem. Two years ago a Warrant Article was approved for the digging of a well to bring water to the field. We are happy to report that the well is completed and that water is available, however we will be asking the Townspeople for support to provide irrigation to bring the water to the field. We have requested that the Budget Committee and the Selectmen recommend a Warrant Article for an irrigation system for the field. Our Commission was split on this issue with two members voting for the Article, one abstention, and one negative vote.

Included in the funds for the well were monies for building a retaining wall on the north side of the Pole Barn. A granite block wall is now in place and we hope that it will eliminate erosion.

Cracking is an ongoing problem of the Tennis Courts. We patch the cracks each year only to have them return and lengthen. There appears to be no easy solution to this problem and we will once again ask the Townspeople to vote in the affirmative to create a Capital Reserve Fund so that monies will be available when we are no longer able to preserve the courts through patching.

Soccer - This is one of our most popular programs. Children from both Fitzwilliam and Troy joined together for a total of twelve teams. A Junior High School Team was added this year. Much of the success of the program is due to the directorship of Wayne Kassotis and his many volunteer coaches, referees, and

parent helpers. Plan on stopping at the Sportsfield on a Saturday morning this fall, you'll be pleasantly surprised by the skills that our teams have acquired.

Baseball - We continue to provide monetary support to the Troy-Fitzwilliam Youth Baseball Association. Eleven teams, eight baseball and three softball, enjoyed the use of the Charlie Wallace Sportsfield for practices and games. We hope to continue our support of this program as it grows under the direction of Curtis Hamilton.

Summer Recreation - Thanks to the direction of Scott Hyde and his able staff another summer of fun was had by all. Children enjoyed daily activities of games, plays, swimming, and painting along with trips to The Friendly Farm, Twinkle Town Golf, blueberry picking at Gap Mountain and, of course, the end of the season trip to Whalom Park. Use of the Fitzwilliam Inn swimming pool allowed the Commission to offer daily swimming lessons. We would like to thank the Inn for its continued hospitality.

Charlie Wallace Memorial 5K Road Race - Our fifth annual road race! We celebrated the occasion by updating our T-shirt logo with the help of Debbie Walz, Graphic Artist. The traditional logo borrowed from the Fitzwilliam Inn was enlarged with water bottles and sneakers replacing the pipes and boots of the two men. The race remains a family event with the adult race and a children's fun run. Once again the hospitality of the Fitzwilliam Inn and the Wallace Family make the event special. Runners and their families are invited to use the pool area. Local merchants generously donate prizes and refreshments. The race for 1995 is scheduled for June 17th so start training!

Winter Program - Winter program lives or dies by the whim of the "Snow Fairy". The more the snow, the more successful the program. The winter of 1994 had plenty

of snow and plenty of enthusiasm from a small group of cross-country skiers. Melissa Grab served as instructor and the group was able to enjoy our trail system many Sunday afternoons. The last day the group enjoyed a cook-out at the top of the ski hill.

Teen Dance - With the help of a youth committee of Justin Killeen, Megan Hagstrom, Melissa Grab, Melissa Mutz, and Judy Castor a teen dance was held on August 27th. The Mutz Family donated their DJ services. While attendance was smaller than hoped for, it was a start. We hope to offer other activities for Junior/Senior High age this coming year.

Our year ended with a meeting with the Cheshire County YMCA. We have not had any recent joint activities with the Y and hope to work with them in bringing new options and activities to the residents of Fitzwilliam. We welcome any suggestions and invite you all to our meetings on the first Wednesday of the month at the Town Hall at 7 PM.

LIBRARIAN'S REPORT 1994

To paraphrase Dickens, it was the best of years, it was the worst of years.

We began the year with one faltering furnace which quickly escalated to two disabled furnaces. In addition, we had septic trouble, sill problems, a building in dire need of paint and a colony of bats overhead.

The town answered our call at town meeting with sufficient funds for all the repairs and we ended the year on a high note with a building in much improved condition (bats and all).

We also asked the town for money for a capital reserve fund for a building addition and renovations. This was turned down at town meeting. In response, the trustees have formed a building committee and we will look further into different options for the required space and accessibility.

In terms of "business" it was a strong year for library services. Circulation of materials was up again with a total figure of 19,014 items loaned. Added to the collection were 441 books, 35 videos, 17 audio books and 34 periodical subscriptions.

Fifty-five programs were offered with 1300 in attendance. Highlights of the year included storytellers John Porcino and Medicine Story, Watermelon Tales 4, author Archer Mayor, John Radzilowicz from the McAuliffe Planetarium and the Little Red Wagon. We offered 32 weeks of storytime to an enthusiastic audience of 3 to 5 year olds.

Our summer reading club, GO UNDERCOVER WITH BOOKS, registered 67 readers who read a total of 38,252 pages and 24 preschoolers who read 260 books. Activities included a scavenger hunt, fingerprinting, police dog Edar, Clue and assorted crafts. Prizes provided by local businesses and the Friends of the Library were

awarded.

In addition to most of the programming, our fabulous Friends were responsible for the pass to the McAuliffe Planetarium, a new set of encyclopedias, the book sale and for two days of much needed cleaning and landscaping. Thanks to all our Friends!

Under the capable hands of Assistant Librarian Deb Chipman and Volunteer Judy Hancock, our ongoing inventory project moved along briskly last year with over 1,000 books weeded from the collection. (These will be available in the annual book sale in July). Several hundred books were recataloged and much work was done on the card catalog. With only adult non-fiction remaining, we hope to complete this massive project at the end of 1995. Automation here we come!

Assistant Librarian, Deb Chipman, is presently taking Public Library Technique courses through the School of Life Long Learning.

Thanks go this year to our wonderful volunteers Judy Hancock, Olga Ranking, Harriet Underwood, Edith Care, Joan Knight and Dancy Bluhm and to the members of our building committee, Walter Collins, Quentin Jones, Tom Parker and Alice Snell.

The trustees and I thank the community for their continued support of the Library.

REPORT OF THE PLANTE MEMORIAL PARK

This year the Park achieved its goal of loaming, liming, fertilizing and seeding parts of the park and the grass came in exceedingly well this Fall.

In the upcoming year we hope to buy and plant three new trees to replace the ones we cut down and repair some of the walks.

Once again, we wish to thank the Fire Department for putting the lights on the Christmas tree. It was very festive for the Christmas season.

MEMORIAL DAY 1994

Memorial Day is a solemn day, the day our nation has set aide to honor our war dead and veterans who served and serve in the armed forces. Fitzwilliam has historically celebrated this day with a parade and services of rememberance. The beautiful aspect of our particular community is the willingness of the towns-people to participate in these ceremonies. Serving on this committee has allowed us to see this community spirit first hand. We encourage others to take the opportunity to be a part of this yearly event.

The 1994 Memorial Day observances began with the traditional parade. Fitzwilliam Fire Department has faithfully taken part in this parade and we thank them for their participation. Also thanks to the Fitzwilliam Girl Scouts, Brownie Girl Scouts, Boy Scouts, Cub Scouts, the 4-H and Trinity Baptist Church. Many thanks to those who marched this year.

The traditional Town Hall ceremony was special this year because all past selectmen attended and took a seat on the steps. The speech was replaced with recitation of our war dead by high school students, Elizabeth Lockhart and Dennis Rumba. We thank them and soloists Mac Landy, Nathaniel Haynes and Jim Parison for their participation.

Following the Town Hall Ceremony, the parade continued on with musical accompaniment by the MRHS band. After a brief ceremony in the Depot the observances ended with a memorial at Pine Grove Cemetery.

Every year the list of thank yous lengthens, and we strive to include everyone. Many thanks to all who participate and especially to the Fitzwilliam Police Department, the Highway Department (Ed Mattson in particular), and The Monadnock VFW for their faithful service and yearly participation. We would be in remiss if we failed to include the Veterans who may not want to be mentioned. You too are a part of the reason we live in a free and wonderful America.

The Cemetery Department did considerable work on repairing cemetery lots. Summer was a very busy time with the additional mowing this season requires. There was also additional vandalism this year.

We purchased two new gas trimmers this year, and next year we hope to purchase an additional mower. One of our first orders of business for the new year will be repairs to the Village Tool House.

In the Village Cemetery there were:
